

Kvægdyrlægerne

TOGETHER!

we find and develop the tools for the progress of dairy production

Exchange ideas & experiences, and get new thoughts and inspiration together with some of the best in the industry. Join **LVK Kvægdyrlægerne** for a small, exclusive trip to:

"THE MUST-ATTEND EVENT FOR EVERYONE IN THE GLOBAL DAIRY INDUSTRY"

In addition to the World Dairy Expo, you're invited to visit some of the progressive dairy herds in Wisconsin, to learn how they handle today's challenges and how they work for progress and future success. To top-off the program, you're invited to a unique meeting and discussion the necessary tools for the progress of dairy production with world-leading researchers from the University of Madison.
